

Grand River Hospital, as one of Ontario's largest community hospitals, provides excellent patient-centred care to the over 760,000 residents of Waterloo Region and Wellington County. Through innovation and collaboration, Grand River Hospital has become a leader in the provision of patient care programs for our community, within available resources. These programs include an integrated cancer program, regional critical care center, renal care, child birth and children services, mental health and addiction services, medical and surgical services, complex and continuing care and diagnostics. Grand River Hospital provides these services at the Freeport Site, the Kitchener-Waterloo Site, the Grand River Regional Cancer Centre and several satellite clinics throughout the region. To help support these services, we are currently seeking a:
